“In the desert of life, the wise person travels by caravan...”
(Arab proverb)

An Introduction

Our tour to Egypt, often referred to as the “Mother of the World,” will introduce you to the culture, art and spirituality of this ancient and living civilization. Our caravan will explore the Nile River cities of Cairo and Luxor, as well as down the Red Sea coast to the Arab desert to stand in the sand of ageless time. Our travels will take us from the Great Giza Pyramids, to magnificent mosques, Pharaonic temples and to the oldest monastery in the world.

We will float on the life-giving waters of the great Nile River, smell the aromas of exotic spices piled high in a bustling *souk*, savor flatbread freshly baked in a clay oven, visit a Bedouin tent-shaped cathedral, hear the Muslim call to prayer from over a thousand minarets, stand on the shore of the Red Sea, experience the Sufi dancing of whirling dervishes, explore whale bones in the Western desert and so much more. All along, we will experience ancient and living spiritual traditions – Pharaonic, Islamic, Sufi, Coptic, Jewish, and desert spirituality.

To enhance our journey, art will be woven throughout our caravan - Coptic, Islamic, Ancient Pharaonic and contemporary Egyptian art. We will visit the new Grand Egyptian Museum on the Giza Plateau, marvel at the architecture of Pharaonic temples, see rock carvings in a sandstone amphitheater, contemplate ancient monastic frescoes and Coptic iconography, admire Islamic calligraphy, visit the studios of today’s premier Egyptian artists, and experience art installations at The Great Pyramid of Giza featuring renowned artists from around the world, and so much more.

Join us on a caravan to explore the creative wonder of another world!
